

The NOVExport's Call for SMEs is open. Apply now!

The NOVExport project is offering interested companies the possibility to benefit from a three months Innovation Acceleration Programme. The call is open from **July 13th to September 25th, 2020 at 19.00 CET**.

July 13, 2020

NOVExport will support companies from **all sectors of activity**, who intend to use the space and digital technologies. from the following regions in South-west Europe:

- France: Nouvelle-Aquitaine, Occitanie
- Portugal: Norte, Centro, Lisboa, Alentejo, Algarve
- Spain: Galicia, Asturias, Cantabria, País Vasco, Navarra, La Rioja, Aragón, Castilla y León, Castilla-La Mancha, Extremadura, Cataluña, Comunidad de Madrid, Comunidad Valenciana, Andalucía, Murcia, Ceuta, Melilla, Islas Baleares.

The participation involves access to training, mentoring, commercial preparation and speed meetings to improve their innovation and internationalization capacities.

The selected companies will benefit from a complete Innovation Acceleration Programme, with access to online tools developed by the project, training to improve innovation methodology, ongoing mentoring, matchmaking opportunities, access to an international network of support and follow-up support.

The NOVExport Acceleration programme will have a duration of three months in two editions. Throughout this programme, the SMEs will receive training and coaching to manage advanced projects and operations in order to develop better products and services. The training will be conducted through webinar sessions, focussing on innovation and product development. The sessions will be provided by local staff from the six different NOVExport's Hubs in **France** (Montpellier and Bayonne), **Spain** (Badajoz, Bilbao and Madrid) and **Portugal** (Coimbra).

About NOVExport project

NOVExport is a European Project designed to increase the competitiveness of small- and medium-size businesses who intend to use the space and digital technologies, and to support their internationalization toward Latin America's agricultural, environmental and maritime markets.

Press release

The project is funded by the Interreg Sudoe Programme through the European Regional Development Fund (ERDF). It is estimated to last for 30 months and has an overall Budget of 1.5 million euros.

The consortium is made up of seven partners and three associates in France, Spain and Portugal.
